

JCCP Customized Course Program Completed

Course No. CPJ - 1 - 18

November 20 – 30, 2018

Course title: Finance & Accounting Management

Course Coordinator : Mr. Masanori Ozaki

<Content>

This course was specially held upon the request of Petrolimex for its managers in Finance/ Accounting sectors.

The course aims at participants' better understanding of Japan and its oil/ energy industry, and learning similarities/ differences between the two countries through lectures and site visits.

At the same time, it provides workshops of financial analysis of investment plans and team management to improve their business administration capabilities.
