Human Resource Management/Development

(April 16 – April 26, 2024)

Course Coordinator : Ritsuko Nakayama, Masumi Kitahara,
Kazuyuki Muroi, Hiroki Nakamura

<Contents>

Participants learned about the current state of human resource management and development in the Japanese oil industry, Japanese-style management, and the evolution of human resource management and development initiatives. At the same time, they took home learnings that will be useful in practice as HR department managers promoting human resource management and development operations in the VUCA era.
