

CPJ-3-25 Introduction of JOB procedure in Japan

September 16 - 26, 2025

Course Coordinator : Mr. Hajime Shozaki

<Contents>

Dialogue was held with participants from the petroleum organization of Iran, a country with historical ties to Japan, about Japan's unique JOB procedures. Additionally, by visiting cultural heritage sites across Japan, the participants deepened their understanding of the Japanese perspective on history and the coexistence of nature and society, while promoting people-to-people exchanges between the two countries.
