

CPJ-4-24 Energy Transition for Decarbonization

November 19 -29, 2024

Course Coordinator : Kazuyuki Muroi

<Contents>

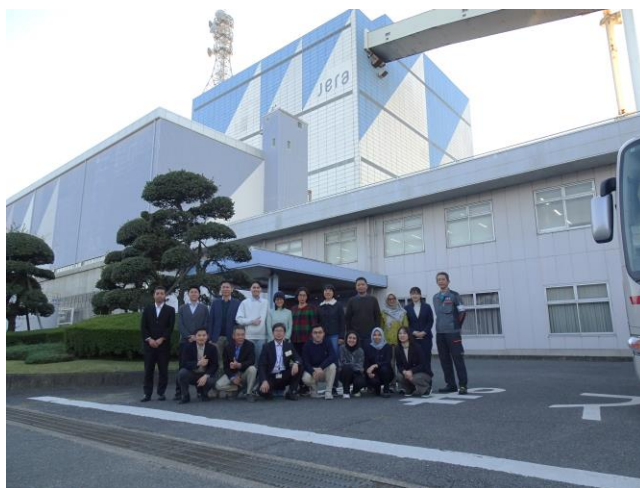

The program will introduce the status of Japan's efforts toward carbon neutrality in the three countries of Vietnam, Thailand, and Indonesia, and provide reference for how each country should proceed with such efforts in the future. Through information exchange and discussion among participants, the program will also contribute to the development of new perspectives and the formation of human networks.
