

# JCCP Customized Course Program Completed

Course No. CPJ - 6 - 19          June 11 – 21, 2019

Course title: Finance & Accounting Management

Course Coordinator : Mr. Masanori Ozaki

## <Content>

This course was specially held upon the request of Petrolimex for its managers in Finance/ Accounting sectors.

The course aims at participants' enhancing knowledge and skills related to business administration through workshops, which are required for managers in the state-owned oil company.

It also provides better understanding of current situation, issues and efforts made by Japan and its oil/ energy industry through lectures and site visits.
