

Executive Meetings in Iran

From May 21 to 27, 2016, Mr. Nakai, CEO of JCCP, visited National Iranian Oil Refining and Distribution Company (NIORDC), Ministry of Petroleum of Iran, and other places.

These visits were made in conjunction with holding JCCP seminar, “CPO-1-16, Safety and Maintenance Management in the refineries”, in NIORDC.

1. Visit to National Iranian Oil Refining and Distribution Company (NIORDC)

Mr. Nakai visited NIORDC head office in Tehran on May 23 and had a meeting with Mr. Abbas Kazemi, Deputy Petroleum Minister & NIORDC President, and other members.

Mr. Abbas Kazemi made a speech giving his appreciation for the visit and holding a seminar, and Mr. Nakai explained the outline of JCCP Training Programs. They exchanged information regarding situations of their refineries and expectations for JCCP Programs.

Meeting with Mr. Abbas Kazemi, Deputy Petroleum Minister & NIORDC President

2. Visit to Ministry of Petroleum of Iran

Mr. Nakai visited Ministry of Petroleum of Iran in Tehran on May 24 and had a meeting with Mr. Amir H.Zamaninia, Ministry of Petroleum Deputy Minister for Commerce & International Affairs, and other members.

Mr. Nakai talked about the outline of JCCP, its Training Programs, the purpose of the visit, and the overview of the seminar.

They exchanged information regarding a situation of Iranian oil industry, and the details of JCCP Programs.

Mr. Amir H.Zamaninia showed a great interest in JCCP Training Programs, especially human resource development and petroleum marketing since they had been promoting the education for young leaders in the Ministry.
