March 31, 2011

Dear Friends,

On behalf of JCCP, we would like to thank you very much for sympathy and encouragement extended to the people of Japan affected by the earthquake of March 11, 2011. We were touched by the warmest and heartfelt messages from our friends around the world. We felt very happy knowing that so many people remembered us and cared about our safety.

Fortunately, none of JCCP staff and the families had suffered any direct damage or loss from the earthquake. Now our business is getting back to normal and we are preparing the programs for Fiscal year 2011 starting April 1.

Responding to your encouragement, we will do our best to reconstruct our country and to further improve our good relationship with your countries. We look forward to your continued support to JCCP.

We will always remember your thoughtfulness.

Best regards,

Masataka Sase  
Executive Director
