

Researcher Invitation Program

	Country	Organization	Name / Position	Accepting organization	Period	Theme
1	Vietnam	Vietnam Petroleum Institute (VPI)	Mr. Tran Van Project Manager, Catalysis Research Dept. PetroVietnam R&D Center for Petroleum Processin	<ul style="list-style-type: none"> • Dr. Mitsunori Watabe, General Manager of JGC C&C • Dr. Toshiyuki Yokoi, Associate Professor of Tokyo International of Technology 	Oct. 1 -Nov. 26	<ul style="list-style-type: none"> • Research on the zeolite additive catalyst for the improvement in the yield of an olefin from FCC units
2	Iraq	PRDC MoO	Mr. Yazen Munaf Ali Al-Lami Refining & Gas Researches Dpt.	<ul style="list-style-type: none"> • Dr. Naonobu Katada, Professor of Tottori University 	Oct. 10 -Nov. 21	<ul style="list-style-type: none"> • Dealkylation of alkyl polycyclic aromatic hydrocarbon over solid acid catalyst
3	Saudi Arabia	Saudi Aramco R&D Center	Dr. Manal Ali Al-Eid Chemical Division	<ul style="list-style-type: none"> • Kurita Water Industries, • Dr. Atsushi Ishihara, Professor of Mie University • Dr. Tomoe, JOGMEC; • Dr. Matsuda, Kansai Paint; • Dr. Yamashita, Professor of Osaka University 	Oct. 19 -Nov. 16	<ul style="list-style-type: none"> • Research for a study on evaluating corrosion inhibitors and demulsifiers, and a study on synthesizing high performance hydro-cracking and hydro-treating zeolite catalysts
4	UAE	ADNOC Refining Research Center (ARRC)	Dr. Amena Andan Al maqtari Process Engineering Section	<ul style="list-style-type: none"> • Idemitsu Kosan • JGC C&C, Clariant 	Oct. 31 -Nov. 27	<ul style="list-style-type: none"> • Petroleum Refining Technologies and Related Catalyst Development-Base Oil Unit Olefins and Aromatics Production Technologies and Related Catalyst Development
