

| Project Title | Counterpart | Country |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------|--------------|
| Research & Development of Selective Propylene Production Technology from Lower Olefins | Saudi Aramco | Saudi Arabia |
| R&D Collaboration between Saudi Arabia and Japan in the field of downstream refining research | KFUPM/ Saudi Aramco | Saudi Arabia |
| Study on electrochemical decomposition of hydrogen sulfide towards generation and reutilization of hydrogen | KAUST | Saudi Arabia |
| Technical Collaboration Project on Seawater Utilization for Concrete Structure of Petroleum Facilities as Construction and Maintenance Management, Kuwait | KISR/KOC | Kuwait |
| Study on Petroleum Refinery Waste Treatment in Oman | SQU | Oman |
| Feasibility Study on experimental investigation of a new absorbent for mercury removal from an Omani natural gas field | SQU/PDO | Oman |
| Feasibility Study of the operating management support to refineries and petrochemical facilities (Iran) | NIORDC | Iran |
| Feasibility Study of upgrading fuel products and compliance with future environmental regulation in Iran | NIORDC | Iran |
| Feasibility Study for applying Guided Wave Inspection to Oil & Gas Pipelines (Indonesia) | Pertamina | Indonesia |
| Joint Research for The Quality Control System of Petroleum in Myanmar | MPE | Myanmar |
| Collaboration for Establishment of Low Pressure Tank RBI System in Saudi ARAMCO Juaymah NGL Fractionation, Saudi Arabia | Saudi Aramco | Saudi Arabia |
| Technical Collaboration for introduction of new inspection technologies for Saudi Aramco | Saudi Aramco | Saudi Arabia |
| Research and Development of Effective Hydrotreating of Kuwait Heavy Oils | KISR/KNPC | Kuwait |
| Technical Collaboration Project for Application and Feasibility Study of Slurry Phase Hydrocracking (SPH) for Kuwait Heavy Oil | KISR/KOC/KNPC | Kuwait |
| Joint Support with Takreer Research Centre for Takreer Refinery Operation | TAKREER | UAE |
| Enhancement of Marine Environmental Protection Performance for ADNOC Group | ADNOC | UAE |
| Environment Study and evaluation of the PV introduction site in petroleum company's facilities, Phase 2 (UAE) | TAKREER | UAE |
| Survey on PV System Installation in Service Station in Abu Dhabi | ADNOC Distribution | UAE |
| Improvements of Operations and Maintenance in Refinery of Oman | ORPIC | Oman |
| Joint Project for Advanced Inspections of Aboveground Storage Tank's Bottom Plate-Field Trial and Verification | QG | Qatar |
| Development of asphalt technology and finding new applications in Iraq, Phase 2 | Ministry of Oil (Iraq) (PRDC) | Iraq |
| Technical Support of Formation Water Treatment for Refineries in Southern Region of Iraq | Ministry of Oil (Iraq) (PRDC) | Iraq |
| Enhancement of Operation Management at Petroleum Product Terminals in Vietnam | Petrolimex | Vietnam |
| Technical cooperation for quality improvement of petroleum products in Vietnam | BSR/VPI/PVPro | Vietnam |
| Project of Soil Remediation for Gas Stations in Ecuador | PETROECUADOR | Ecuador |
| Application Study on Long Life Hydrocracking Catalysts to Commercial Units in Saudi Arabia | Saudi Aramco | Saudi Arabia |
| Technical Collaboration for Corrosion Assessment and Mitigation in Oil Terminals (Iraq) | Ministry of Oil (Iraq) (PRDC) | Iraq |
| Installation of APC Control for Pertamina RU VI Balongan and Site Survey & Reporting for RU III Plaju in 2016 (Indonesia) | Pertamina | Indonesia |
