

## JCCP Regular Course Program Completed

Course No. IT-6-19                      October 15 – 25, 2019

Course title: **Financial Management and Business Planning**

Course Coordinator : **Mr. Masanori Ozaki**

### <Content>

This course aims to provide participants an understanding of Japan and its oil/energy industry's efforts to address the issues they are facing.

The course also gives an opportunity to learn about energy companies' financial management and strategic planning based on "rational thinking" through workshops and discussions among the participants.

### <Site visits>

Cosmo Oil, Yokkaichi Refinery

Fujitani Oil

San-Ai Oil, Haneda Office

<Participants> **12 Participants from Colombia, Indonesia, Iraq, Kazakhstan, Kuwait, Peru, the Philippines, Saudi Arabia, Thailand, U.A.E., and Vietnam**

Oct. 24, "Rational Thinking for Decision-making" workshop, with Mr. Okoda, the lecturer
