

## The 14th FCW Meeting in UAE (CPO-1-22)

- 1. Overview:** Employees of oil and gas companies from Japan/UAE discussed the challenges and solutions for promotion of women's careers at a workshop of the Friendship Committee for Women Career Development which is a collaboration between JCCP and ADNOC (Abu Dhabi National Oil Company). This 14th meeting since its establishment in 2015 was held as the first face-to-face meeting in two and a half years. The male and female members of the local ADNOC Gender Balance Committee were very lively and positive, and had lively discussions with the Japanese members, deepening their understanding, motivation, and friendship toward the promotion of women's activities. All participants returned to their home without infection, thanks to daily PCR tests and other infection control measures.
