

## The Ambassador of the Republic of Ecuador to Japan visited JCCP

On March 11, 2022, Mr. Jaime Barberis, Ambassador of the Republic of Ecuador, visited JCCP Headquarters to offer his greetings on the occasion of his assumption of duty as the new Ambassador to Japan.

During his meeting with CEO Nakai, the Ambassador spoke about Ecuador's open economic policy toward the rest of the world and its promotion of sustainability-based foreign investment.

He also stated that he would consider applications from domestic ministries and related companies after looking into JCCP HRD programs. After we explained that JCCP successfully implemented a technical cooperation project on soil remediation at gas stations in the past, he showed his interest in the technical cooperation project as well.
